

ROAD CLOSURE INFORMATION

Over the next couple of years (between June 2019 and early 2022) there will be road works extending the metrobus route along Gipsy Patch Lane and replacing the railway bridge. This will mean that sometimes Gipsy Patch Lane is closed around the railway bridge area, or that there may be traffic lights somewhere along Gipsy Patch Lane.

Riverside will be open as normal throughout, but the works will cause disruption to traffic so you may want to make alternative route plans to get here.

ROUTES TO RIVERSIDE AVOIDING GIPSY PATCH LANE

KEY

- Riverside Leisure Club
- New route to Riverside
- Alternative new route to Riverside
- Route away from Riverside if different
- Site of roadworks
- Railway line

PLEASE NOTE:

At peak traffic times, your journey may take longer than usual so please allow extra time, especially if you're taking part in one of our fitness classes.
